 - b) The home remains free from defects in material and workmanship on electrical, plumbing, heating delivery and distribution systems, exterior cladding, caulking, windows and doors, and the building envelope and basement remains free from water penetration for two (2) years.
 - c) The home is warranted against all major structural defects for seven (7) years.

DISCLAIMER:

This Schedule I forms part of, and is to be read, in conjunction with the Agreement of Purchase and Sale.

Alternate layouts and options are not included in the base purchase price and must be purchased at the time of sale. Décor Dollars are inclusive of HST and are of no cash value and cannot be used towards alternate plan layouts.

The features and finishes listed above are included in the purchase price and are at no extra cost to the purchaser(s). All interior colour Selection will be made from the Vendor's standard samples. The Vendor reserves the right to substitute alternative materials and fixtures of equal or better quality. Variations in colour shades may occur in finishes due to manufacturing or ordinary variation within natural products and may vary from the Vendor's samples. Hardwood flooring may react to normal fluctuating humidity levels producing gapping or cupping, both considered to be within acceptable industry standards. Exterior colours are to be chosen by the Purchaser with the Vendor's approval, at the time of sale, and cannot be guaranteed. Model types, streetscapes and final house sitings are subject to final approval by the applicable municipality and Architectural Control. All illustrations and renderings are artist's concepts. The Purchaser(s) acknowledge that there shall be no reductions in the purchase price for any standard feature listed herein which is omitted at the Purchaser(s) request.

Interior photos are for display purposes only and may not represent standard options, see sales representative for further details.

All plans and specifications are subject to modification from time to time, according to Tarion Warranty Program rules and regulations. Actual square footage is measured per Tarion requirements and may vary slightly depending on elevation selected and construction variances. Ceilings and walls may be modified to accommodate mechanical systems. The Vendor will not allow the Purchaser to do any work and/or supply any material to finish dwelling prior the closing date. Due to grading conditions number of steps at front, rear, and garage entry may vary from that shown according to grading conditions and municipal requirements and cannot be guaranteed.

Specifications, terms and conditions are subject to change without notice. E. & O.E. August 2021.

SCHEDULE "L"
Site Plan

Unit 275
Phase 3

Model: Bradshaw (4203) Elev A Opt 5 Bedroom

The floor plans and elevations shown are pre-construction plans and may be revised or improved as necessitated by architectural controls and the construction process. The measurements adhere to the rules and regulations of the TARION Warranty Corporation's official method for the calculation of floor area. Materials, specifications and floor plans are subject to change without notice. All house renderings are artist's concept only. Actual usable floor space may vary from the stated floor area. All options shown are upgrades. E. & O. E.
